JANUARY 2013

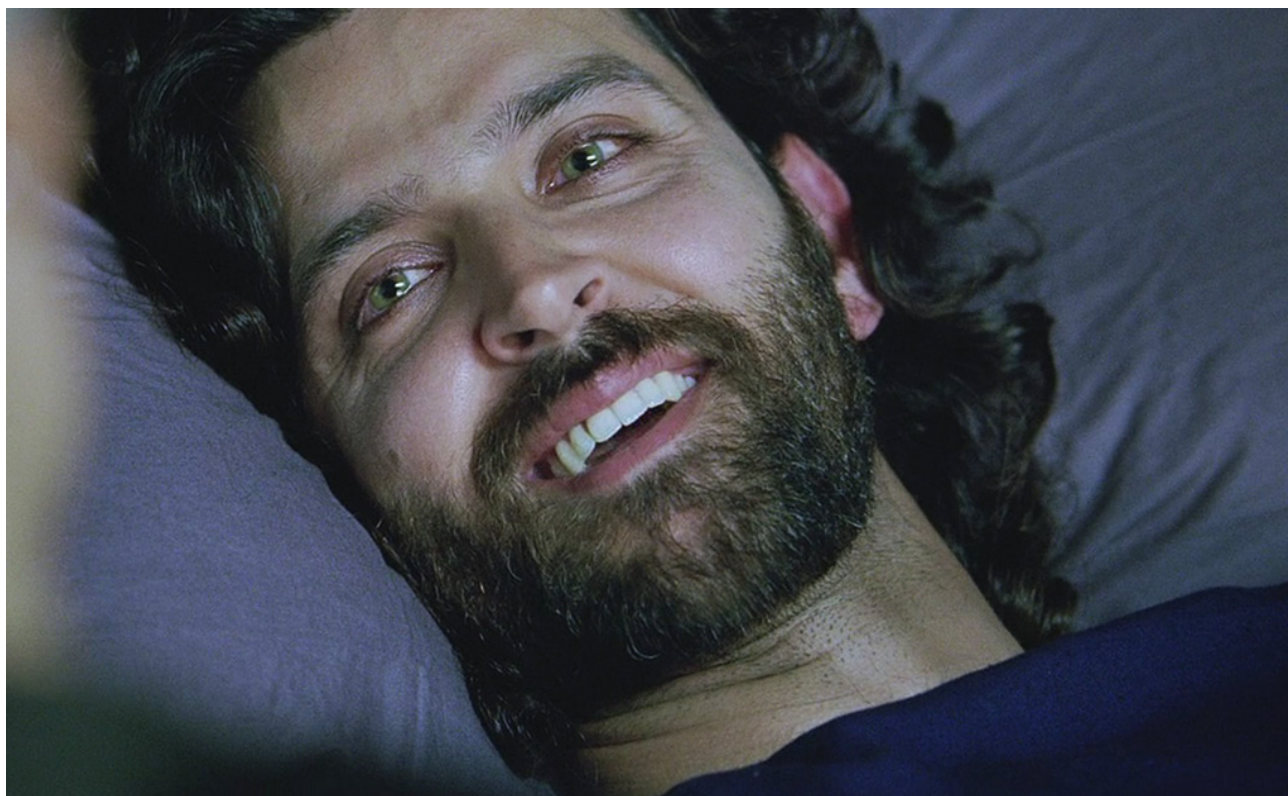

The best religion is humanity.

*If you, in the worst and most painful period,
are actively giving it your best shot without harming anybody,
things eventually will work out for you.*

FEBRUARY 2013

*Life has been unpredictable; it has been extremes at times.
It has surprised, it has shocked, but that's what makes a complete life.
What makes it perfect is the fact that it's not perfect.*

MARCH 2013

*While most say, "you have to see it to believe it",
I vouch for the contrary assertion "you have to believe it to see it".
The word miracle was coined because wondrous things
may have surely happened to validate its meaning.
But you have to give every nerve, every sinew and every drop of blood
to make that magic happen.*

APRIL 2013

*I'm a magician. I can do anything.
I did create history once, and... I might just do it again!*

MAY 2013

*I believe in miracles, dreams. I believe life has a rhyme
and that everything happens for a reason.*

JUNE 2013

*If I am able to dream, dreams already exist inside me
and it's just a matter of time before they take shape.*

JULY 2013

*Ups and downs are a part and parcel of the journey.
I even cherish tough times as they bring you closer to the truth in life.
Helps you set your priorities right.*

SEPTEMBER 2013

*I believe God exists because He gives me signs.
And at those times when I have asked for a sign with all my heart,
I have usually got it. That could be because of the child inside me.*
